VILLAGE OF MAMARONECK SAFE STREETS

SAFETY PLEDGE

I understand that traffic-related deaths and serious injuries can be prevented through safe and responsible decision-making.

By practicing safe behaviors and encouraging others to do the same, our community can come together to make our roads safer for everyone.

Signature

I PLEDGE TO:

- Drive sober, alert, buckled, and distraction-free.
- Slow down and obey speed limits.
- Recognize that higher speeds increase the risk of fatality and serious injury.
- Maintain a safe following distance.
- Call 911 and never leave the scene of a crash.
- Use extra caution around pedestrians and bicyclists.
- Use crosswalks, obey signals, and stay visible as a pedestrian.
- Adjust my speed and stay alert during poor weather.
